**Re: Official Plan Amendment, Zoning By-law Amendment and Draft Plan of Subdivision
Hillsburgh Heights Inc.
5916 Trafalgar Road North
Candevcon File No. W21081**

Dear Tanjot,

On behalf of Hillsburgh Heights Inc., we are submitting the enclosed materials in support of an Official Plan amendment, Zoning By-law amendment and Draft Plan of Subdivision application.

The applications propose a development on the current vacant property for two-hundred eighty-four (284) single-detached lots and two (2) townhouse blocks containing approximately forty-eight (48) units. The proposal includes blocks for a school, a park, two stormwater management ponds and new streets that will provide access to Trafalgar Road North. The 284 single-detached lots include lot sizes varying from 15m to 21m distributed throughout the subdivision. The townhouse blocks are clustered in a location situated close to Trafalgar Road North to minimize traffic impacts. The two stormwater management ponds are at the southern corners of the site while the park and school blocks are situated in a central location near the roundabout at the entrance of the subdivision.

The Official Plan and Zoning By-law amendment and Draft Plan of Subdivision applications with supporting documents were prepared in response to the Town, County and Agency comments from the July 2, 2021 Pre-Consultation meeting.
